4 · Compliance Summary

|                           |                          |                      |                        |
|---------------------------|--------------------------|----------------------|------------------------|
| OVERALL DRIVER COMPLIANCE | Missing                  | LICENCE              | Not recorded           |
| LICENCE EXPIRY            | Not recorded             | VEHICLE REGISTRATION | —                      |
| REGISTRATION EXPIRY       | Not recorded             | VEHICLE INSURANCE    | —                      |
| INSURANCE EXPIRY          | Not recorded             | LATEST INSPECTION    | No inspection recorded |
| CRITICAL DEFECTS          | No open critical defects | OVERDUE MAINTENANCE  | None overdue           |
| EQUIPMENT COMPLIANCE      | Missing                  |                      |                        |

Worst Status Wins: the overall Driver compliance status inherits the most severe status from the Driver Licence, assigned Vehicle records, and any assigned Equipment.

| 5 · Activation Readiness |              |                     |              |
|--------------------------|--------------|---------------------|--------------|
| ACTIVATION STATUS        | Not recorded | READINESS           | Not recorded |
| COMPLETION               | —            | MANDATORY COMPLETED | 0            |
| OUTSTANDING MANDATORY    | 0            | ACTIVE OVERRIDES    | 0            |
| LAST RECALCULATED        | Not recorded | TEMPLATE            | Not recorded |

No blocking items.

6 · Documents & Evidence

No accepted evidence

| 7 · Manual Handover Confirmation |             |                               |                          |
|----------------------------------|-------------|-------------------------------|--------------------------|
| Driver signature                 | Driver date | Allocator / Manager signature | Allocator / Manager date |
| <div></div>                      |             |                               |                          |

Comments:

Printed signatures on this Start Sheet are not automatically recorded in the Driver Command Centre. Complete the corresponding checklist items in DCC to update the canonical activation record.
